

Mastering the DVR

Experience DVR

Take control of your TV experience with the power of DVR! Record any TV program with the touch of a button and watch it whenever you want. Rewind live TV to see what you missed. Pause what you are watching for any interruption. Replay those hilariously funny parts as many times as you want.

Record a Program

Press the Guide button to view the program guide. Using the arrow keys, highlight the program you want to record and press the Record button. If you are already watching the program, simply press the Record button to begin recording.

Stop Recording

Press the Stop button and follow the on screen directions. If you started the recording using the Guide, recording will stop when the program is finished.

Control a Live Program

If you want to pause what you are watching, press the Pause button. Need to see something again? Press the Skip Back button. Ready to go back to live TV? Press the Live button.

Watch a Recording

Press the List button to view your list of recorded programs. Use the arrow keys to select the recorded program you want to watch and press Play to start playing the recording.

Delete a Recording

Press the List button. Use the arrow keys to select the recording you want to delete and follow the on screen directions.

Controlling the Remote for DVR

Arrows/Browse/Search/OK

Press to navigate through the guides, menu options or to make selections.

Skip Back

Skip backwards while watching a recording or while watching live TV.
